

Competition Team Jackets and Teamwear

All competition students must have a Moore Than Dance competition jacket that they wear to all competitions and award ceremonies.

- Dancers may add crystals and an embroidered name to their jacket for an additional price.
- It is important that only current MTD competition members wear their team jackets. If a student does not continue next year with competition, they will not be able to wear their team jacket to the studio.
- No team jackets are to be sold outside of the studio, this includes donating the jackets to an outside charity.
- Dancers may purchase a jacket from another studio family for a reduced price. Please contact the studio if you are wanting to sell or purchase a jacket.
- Parents may order the same jacket but only in the graphite/white colors.
